INSTRUCTIONS - READ CAREFULLY

NOTICE:

Your complaint is subject to dismissal unless it conforms to these instructions and this form.

1. To start an action you must file an original and one copy of your complaint with the court. You should keep a copy of the complaint for your own records.
2. Your complaint must be legibly handwritten, in ink, or typewritten. You, the plaintiff, must sign and declare under penalty of perjury that the facts are correct. If you need additional space, **DO NOT USE THE REVERSE SIDE OR BACK SIDE OF ANY PAGE.** ATTACH AN ADDITIONAL BLANK PAGE AND WRITE ON IT.
3. You must file a separate complaint for each claim you have unless the various claims are all related to the same incident or issue or are all against the same defendant, Rule 18, Federal Rules of Civil Procedure. Make a short and plain statement of your claim, Rule 8, Federal Rules of Civil Procedure.
4. When these forms are completed, mail the original and one copy to the clerk of the United States district court for the appropriate district of Texas in the division where one or more named defendants are located, or where the incident giving rise to your claim for relief occurred. If you are confined in the Texas Department of Criminal Justice, Correctional Institutions Division (TDCJ-CID), the list labeled as "VENUE LIST" is posted in your unit law library. It is a list of the Texas prison units indicating the appropriate district court, the division and an address list of the divisional clerks.

FILING FEE AND IN FORMA PAUPERIS (IFP)

1. In order for your complaint to be filed, it must be accompanied by the statutory filing fee of \$350.00 plus an administrative fee of \$50.00 for a total fee of **\$400.00**.
2. If you do not have the necessary funds to pay the fee in full at this time, you may request permission to proceed *in forma pauperis*. In this event you must complete the application to proceed *in forma pauperis*, setting forth information to establish your inability to prepay the fees and costs or give security therefor. You must also include a current six-month history of your inmate trust account. If you are an inmate in TDCJ-CID, you can acquire the application to proceed *in forma pauperis* and the certificate of inmate trust account, also known as *in forma pauperis* data sheet, from the law library at your prison unit.
3. The Prison Litigation Reform Act of 1995 (PLRA) provides "...if a prisoner brings a civil action or files an appeal *in forma pauperis*, the prisoner shall be required to pay the full amount of a filing fee." See 28 U.S.C. § 1915. Thus, the court is required to assess and, when funds exist, collect, the entire filing fee or an initial partial filing fee and monthly installments until the entire amount of the filing fee has been paid by the prisoner. If you submit the application to proceed *in forma pauperis*, the court will apply 28 U.S.C. § 1915 and, if appropriate, assess and collect the entire filing fee or an initial partial filing fee, then monthly installments from your inmate trust account, until the entire \$350.00 statutory filing fee has been paid. (The \$50.00 administrative fee does not apply to cases proceeding *in forma pauperis*.)
4. If you intend to seek *in forma pauperis* status, do not send your complaint without an application to proceed *in forma pauperis* and the certificate of inmate trust account. Complete all essential paperwork before submitting it to the court.

It is your responsibility to inform the court of any change of address and its effective date. Such notice should be marked "**NOTICE TO THE COURT OF CHANGE OF ADDRESS**" and shall not include any motion for any other relief. Attach extra pages if necessary, but remember the complaint must be stated briefly and concisely. IF YOU VIOLATE THIS RULE, THE COURT MAY STRIKE YOUR COMPLAINT.

On 09-29-15 at or around 7:30am a verbal organized "hit" was placed on me, by a Harris County Sheriff's Office Commissary Worker. A male weighing about 320 pounds wearing a female wig, was accompanied by two females. All of them working for the Harris County Sheriff's Office Commissary. The male ordered "everyone to get ready for commissary." He said this at 701 San Jacinto Houston, TX 77002, 7E1 (x-cell). He then repeated himself. I took longer than usual, because of my indigent status. When I heard this man tell some gang affiliated inmates downstairs "Porter-507". In a low and unusual voice. I walked out of my cell, when an inmate asked me, "hey you order an indigent package?" I said, "Yes". When I recognized the male out of the bunch, I went to receive my commissary, but this man acted like he never said my name and lost three of my \$4h. He had nothing for me, no paperwork, no indigent package and worst of all no commissary for me. So I waited and waited, until one of the females who normally calls my name for commissary called me, finally. Now, this was crude and very unusual to me. I'm now living in fear, anger, stress and feeling mental anguish pains, behind this man and his actions.

VI. RELIEF:

State briefly exactly what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.

I want understanding to why he choose me. I want security that I am in no immediate danger. GROUND [REDACTED]:

④. On 10-21-15 in 2E-2B of 1200 Baker Street Houston, TX 77002, Harris

County Sheriff's Office, I was assaulted by an inmate with a broom stick, while guards stood by and watched.

FACTS SUPPORTING GROUND [REDACTED]:

I was involved in a fight with an inmate by the name of "Munoz". He was threatening a nurse with a broom stick. He woke-up inmate "Larry Hill" from a nap. Larry Hill asked him, "to stop hitting the table with the broom stick." & Inmate Munoz then turned the assault from the table, to inmate Larry Hill. After, a few hits of the broom stick and a couple of hard blows to the chest by inmate Munoz foot. On the elderly handicap gentleman, I decided to step-in and try to save Mr. Hill from the near death experience. Which, in doing so, I to was hit with the broom stick in the head a few times and ended up hurting the tip of my back left top rib. In an attempt to disarm Inmate Munoz of his weapon. While the whole time from when Mr. Hill was being attacked to when I got up off the floor, two guards just stood there waiting and watching the fight.

- Relief 2- I want monies to take care of any future medical bills that may arise out of nowhere cause of this injury. I want monies for any accidents that may occur out of nowhere cause of this. I want monies for protection and security, since the guards may try to retaliate cause of this suit against them. I want the guards to be punished for their part of just watching the fight and getting paid for it. When they should've been helping me disarm inmate Munoz, and keeping the peace. Kevin A. Porter

GROUND [REDACTED]:

③. On 10-21-15 in 2E-2B of 1200 Parker Street Houston, TX 77002, Harris County Sheriff's Office. I was choked by Detention Officer Jim Washington, while standing in hand-cuffs.

FACTS SUPPORTING GROUND [REDACTED]:

At or around 11:00pm, I asked a Detention Officer (Parish I believe) for help, with getting medical assistance. From a fight that I was involved in earlier that day. I was told, "You have to wait until after count time". When count cleared, I asked another Detention Officer (Jim Washington) if I could get escorted down to medical for what felt like a broken rib tip. From where I landed into a corner of a steel bunk bed. During a fight, I had with an inmate with a broom stick. I told Detention Officer Washington, that his partner told me, "that he will take me down after count has cleared". But, Detention Officer Parish was on break, when count had cleared. So when Detention Officer Washington said, "I don't think he said that". We got into a verbal argument, "basically", he threaten to kick my ass. Detention Officer Parish returns from his break. He starts to escort me down to medical. While assuming the position, for the hand-cuffs to be placed on, Detention Officer Washington comes out of the control P.O.D. Tells me to, "talk that SHIT now"! Confronts me face to face. I move out of his way, I allow Officer Parish, to place me in hand-cuffs. Detention Officer Washington tells him, "No"! "Don't let him go yet"! then he places his forearm under my chin, on my throat. For around four to five seconds, pushing as hard as he could against the wall. I get scared and nervous and start to pull away. I walk toward the main hallway, pulling him with me as he grips my hand-cuffs that are on the base of my back. When he realizes that he hit the main hallway, he lets go of the cuffs, I'm then escorted down to medical, 15 minutes later or so. He stalks me down in the clinic, tells the x-ray tech a few choice words. I'm then given an x-ray of my chest

GROUND [REDACTED]:

③. Instead of my left back side. For three days straight after the fight he stalks me down to tri-age, making sure that I don't report him to the nurse on duty.

FACTS SUPPORTING GROUND [REDACTED]:

- Relief 3 - I want Detention Officer Washington fired, so this doesn't happen to anyone else. I want monies for protection and security, since Detention Officer Washington may decide to retaliate against me cause of this suit. I want protection for my imminent safety. I want him to learn from his mistakes. *Ken A. Porter*

④. On 12-10-15 in the clinic of 1200 Baker Street Houston, TX 77002, Harris County Sheriff's Office at or around 12:30pm. I was lied upon, misdiagnosed, and a victim of malpractice.

I went downstairs to the clinic for a blood pressure check. After having my pressure checked it came back high. That's when a doctor "Peters" was giving me advice on why I should take the medication. But, she's not listening or understanding. I don't like to, cause it feels like it's against my religion. And that I only take it when I see fit. So she gets concern and tries to have me moved to the infirmary. So she ask the head nurse "Dr. Henson". Dr. Henson tells her, "You can't move him to the infirmary, they are full." Just do this, say that he wanted to "KILL" himself and they will move him to the second floor. They will observe him over there". Not knowing that, I was sitting about twenty feet away or so. Listening to their whole conversation. I get so upset and yell out, "Hey" "You know I'm sitting right here listening to you all talk about me" "And I heard that lie you just told, I never said that" "Dr.

GROUND [REDACTED]:

④. Henson, then asks Dr. Peters, "Is that the patient right there"? Dr. Peters then says, "Yes". Dr. Henson then tries to have me removed from the clinic, but the

FACTS SUPPORTING GROUND [REDACTED]:

other nurses wouldn't allow it. Cause, I was waiting to speak with the psyhic doctor. When, I spoke with the psyhic doctor, they informed me that Dr. Henson told them, "that she can't locate my medical history right now, but I take "two medications" for psyhicotic disorders". Now, when I heard this, I had to explain to the psyhic doctor, that I've never taken any kind of medication ever in my life. I then asked them to look up my x-rays, that I've taken some time back. They saw them. I then explained that my medical history wasn't losted. Dr. Henson was lying on me, to get me to take two psyhicotic medications that I don't need. Because, I caught her lying to Dr. Peters. Also to make me look crazy.

- Relief 4- I want Dr. Henson fired for her malpractice and misdianoses. I want Dr. Peters to be reprimanded for about to agree with Dr. Henson devious acts. I want to make sure this doesn't happen to any other inmate, if this is how they ^{are} treating their patients. I want monies for protection and security, since both of them may decide to retaliate after the filing of this suit. I want monies for deformation of character. I want monies for misdianoses of two psyhicotic disorders, where I was almost forced or mentel punished to take. Especially if I'm forced to TDCJ. I want Dr. Henson to have criminal charges pressed against her for her actions. *Ken A. Pate*

⑤. On 01-07-16 in 1200 Baker Street Houston, TX 77002, 5A24, Harris County Sheriff's Office. A inmate by the name of "Sanchez" tried to commit suicide in front of me. ~ Inmate Sanchez somehow got a hold of an open razor, and slit his wrist with this razor.

GROUND:

⑤. I've never witness anyone ever in my life, trying to seriously take their own life before. This was very frightening, strange, and highly unusual to me. I feel that the

FACTS SUPPORTING GROUND:

Harris County Sheriff's Office is to blame for this. For allowing suicidal people to mix with non-suicidal people. For allowing suicidal people to get a hold of a open face razor (a weapon), and use it on them selves. For not doing a more intensive investigation into that person's back ground. I've wrote grievance after grievance explaing, that they've classified me wrongly. That I should be inside of a protective custody cell and not the mental ward. I've never witness that much blood flow and drip from someones wrist before. I don't like it, and wish I've never witness that.

- Relief 5- I want monies for protection and security. Since the Harris County Sheriff's Office may decide to retaliate cause of this suit. I want to be moved to protective custody so I won't be mixed in with these type of people. I want them to do a better job of screening people for suicidal tendency. I want monies for mental anguish of having to sleep next to a guy like that. Who's to say? On his way, blacking out. That he wouldn't have turned that razor on me while I slept. I want someone to justify, why anyone would do that to themselves? *Ken A. Pate*

⑥. On 02-17-16 in 1200 Baker Street Houston, TX 77002, WC-1, Harris County Sheriff's Office. A blond headed nurse asked Detention Officer Rodriguez, to forge my signature on a medical refusal sheet. On or about 12:30pm a blond headed woman asked me to sign a medical refusal sheet. I sawly

[REDACTED]

GROUND [REDACTED]:

⑥. "No." The reason being is because, every since October or so, I've signed these refusal sheets, and they continue to call me. Even though I've refused over

an estimated one-hundred times. So this particular day, The nurse tells me, "Since you refused in front of two people, we can sign your name." Now, I don't care how many people I refuse in front of. No one has the right to sign my name. Now, she told Detention Officer Rodriguez the same thing and that she could sign the refusal sheet for me. Now, when this happen on 2-17-16. They forged my name! But, since I had to write a legal grievance on the situation, before I could file a law suit. They've made the legal changes, to hide their mistakes. Since, I've warned them they're now signing the refusal correctly. This is after I put in three separate grievances on three separate occasions. Now, nurses that never-eves met me, in their life. Knows about me, how I catch them in their mistake and caseless acts. And are aware how I write grievances on the medical department. So now my ~~past~~ proof has been altered, but I'm still bringing this to the courts attention. Because, I was wronged and want to help the next person.

- Relief 6- I want to make sure this forgery stops in the Harris County Sheriff's Office. I want monies for protection and security. Since both of them may decide to retaliate on me, after the filing of this law suit. I want to make sure that no other inmate has to go through this. I want them reprimanded for their actions. Kevin L. Porter

GROUND [REDACTED]:

⑦. On 02-21-16 in 1200 Baker Street Houston, TX 77002, 6C-1. A bald headed African or Jamaican male forged my name on a medical refusal sheet.

FACTS SUPPORTING GROUND [REDACTED]:

On or around 8:00am a male nurse and female guard, Hunted me down, when they found me they told me that "I needed to go to tri-age to sign a medical refusal sheet." I told them "No". That's when they (the female guard) asked if they could sign my name. I said, "No, you don't, have my permission to sign my name". After, that they both left the cell. I waited about 5 seconds or so and got out of my bunk and looked into the hallway door. I notice the male standing alone signing the refusal sheet. I yelled, "Hey!" "Quit signing my name!"

- Relief 7- I want monies for protection and security. Since they both may decide to retaliate after the filing of this law suit. I want them to be punish for their actions, mainly the male nurse. I want to make sure this doesn't happen ^{to} any other inmate ~~this~~ ^{inmate}.

⑧. On 03-02-16 1200 Baker Street Houston, TX 77002, 6C-1. Two guards came in to the dorm, hunting me down to sign a medical refusal sheet.

On or around 8:00am two guards found me trying to sleep under my blanket. One particular guard keep tapping me on the shoulder. Ordering me to get up and go to medical. then threaten to put me in restraints, if I didn't get up. I looked out from under my blanket and yelled, "So what? I'm not signing nothing". That's when they left me alone. I'm assuming that they too forged my name on the refusal sheet.

- Relief 8- I want monies for protection and security. Since they both may decide to retaliate after the filing of this law suit. I want insurance that my name is not being mistreated. I want

GROUND [REDACTED]:

FACTS SUPPORTING GROUND [REDACTED]:

① On 01-22-16 in 1200 Baker Street Houston, TX 77002, S.A. I was tried too by the Harris County Sheriff's Office Law Library.

On or around 1:35pm, I was told that "law library was closed for the day". The day before a woman that pushes the cart around, with all the paperwork, informed me, "that she would be returning the next day" with the materials and items that I requested. She never showed up, until about 4 to 5 days later. After, I had already filed a grievance on her for lying to me, about coming back the following day. Now, this in its self is highly unusual. If I'm schedule for the law library on a particular day? Why, do I not get my materials, until the next day? Why not just schedule me for that day instead? Now, if I had court any time between when she said, "she would return". Until, the time she returned, I would've been messed over, cause I wouldn't have gotten the ^{material} ~~matter~~ I needed to help me with my case. And it would've been her fault and not mines. This particular law library seems to always give out the material that they want you to have and not what you ask for. I've recieved piles and piles of worthless paperwork pertaining to my case.

-Relief 9- I would like to see a new law library worker, who doesn't mind giving you what you ask for. I want monies for protection and security. Since she and her co-workers may decide to retaliate, on me behind this law suit. I want inmates to get

⑩. On or around 06-02-15 in 701 San Jacinto 4E-2 Houston, TX 77002, Harris County Sheriff's Office. An uncover sheriff posing as an inmate punched me in the head and mutilated me, by giving me what he calls a "Hook Tattoo".

At or around 12:00pm an uncover sheriff by the name "Miller" punched me. Cause, I've been bugging him to do a tattoo, that I've paid him two weeks prior. How do I know that this man works for the Harris County Sheriff's Office? Cause, I've passed him in the hallway. Many years ago when he was in full uniform. I never forget a face. Well, I protected his secret cause, I understand it's just a job for some people and everyone got to eat and feed their family. But, I don't appreciate this man who works for the state doing what he calls, "hook tattoos". He put one on me and one on another person. Now, I don't appreciate the state mutilating people. This type of behavior needs to be corrected and stopped.

-Relief 10- I want monies for protection and security. Since, he and every other uncover sheriff may decide to retaliate on me cause of this law suit. I want monies to fix my "hook tattoo". I want monies for the mental anguish cause by this man for messing-up my religious tattoo. I want uncover sheriffs to stop acting like their real criminals. I want this never to happen to anyone else again. *Kim A. Porter*

with a tapered hair cut. Stood as non-trustee male to pass out the food trays,

Now, this inmate sits down after he uses the restroom. Now, he dips into the fat cravess

trying to remove whatever may be the problem of his element. Now, I've witness this man

drop some major loads, which if we're lucky, he may wash his hands afterwards. Now, when

he passed out the food, he had on, no gloves, no apron, no hairnet, nothing that a

guard or normal trustee may wear for this particular job assignment. Now, when

it came to my tray, I can swear that I saw two fat, little, stubby fingers slip down

the corners of my tray near my main and ~~the~~ veggies. Now, this was awful and pure

discussing, ruin any thought of a delicious meal. Now, the guard should've had a trustee

doing this job. Or he should've done it himself since he's getting paid to be here,

and he at least may have used hand sanitizer at least once that day.

- Relist II - I want monies for protection and security. Since the guard and the Harris County

Sheriff's Office may decide to retaliate after the filing of this lawsuit, I want them

to be more hygienic minded, about who they let touch the food. I don't want any other

inmate to have to experience the mental anguish that I went through, cause of this

person. I want to know for sure, that my food has not been contaminated by human

feces or human waste. Ken A. Pate

I found a long strain of hair in my broccoli and being served some kind of strange mystery meat. That even the grievance sargent couldn't get a name for from the dinning room over see'ers.

At or around lunch or dinner time. I was just sitting down to eat my meal. I took my first bite of broccoli and a long piece of hair wrapped around my tongue. It was so long and disgusting, that I couldn't take another bite and ended up throwing away the rest of it. I was only able to save a small piece of broccoli along with the hair, for the court to see the evidence that it's not my hair. Now, almost every other day, Someone who makes the lunch and dinner schedule, has some kind of sick imagination. By serving some kind of strange mystery meat patty. Only reason most inmates such as myself eat this stuff, that's is possible meat. Is because we are starving, for food and energy. They seem to know this. But, the weirdest part is, when a grievance sargent tried to find out what kind of meat the kitchen was serving. No one would tell him the answer. So my only guess is soy bean, mixed with horse meat, or soybean mixed with ^{the} enemies of America! I don't know, every time they serve it, It drive me crazy.

-Relief 12 - I want monies for protection, security, and hospital bills. Since, they ~~may~~ decide to retaliate on me for filing this law suit. Plus, this mystery meat may get me sick in the long run.

aminated with human hair, and a mysterious patty that no one knows the
type of ingredients inside of it, unless you're the ones who make it and order it. I want
them to disclose the properties of their food when a high ranking official asks them.
I want them to stop serving that mystery meat and have better awareness of their hygiene
and their county employees (inmates and staff). *Ken L. Porter*

⑬. On 2-21-16 in 1200 Baker Street Houston, TX 77002, 6C-1, Harris County Sheriff's Office, Forced
religion thrown upon me nightly.

At or around 10:15pm (almost) every single night. A christian prayer circle is formed. Now,
I don't believe Jesus Christ is Lord and savior, and definitely he's not God to me. Now,
I don't appreciate this group of people gathering around the entrance of my cell door yelling
and talking to a person who I don't think is God. I wouldn't be having such a major
problem with this circle of people. If their leaders wouldn't try to figure out my
religion, curse me with food offerings, and worst of all involve me into their
prayers when he says, "And the people inside and outside of the circle." Now,
this drives me crazy, cause I have no idea of what type of person this man really is. For
all I know, he is some kind of murderer, child molester, or drug dealing rapist. I've
met him long time ago when I was young. And didn't want nothing to do with him then and
definitely not now. Especially, since I don't hear nothing about my God "Ra" the African
Sun Devil (or to some Ra the Egyptian Sun God) or Lucifer the Angel of Light! *OK*

a "Triple Threat" & So to be totally honest, I really don't need any other Gods or should I say "gods" in my space. I'm aware they have a right to pray to whom ever they wish. But, they violate me when they put me into that prayer. And I really hate it and want it to stop around me.

- Relief 13 - I want monies for protection and security, from this large group of praying people. Who may decide to retaliate against me, if they ever find out about my law suit ~~against~~ against them. I want not to be involved into a prayer to someone, who is not God to me. I want their leader to stop ~~try~~ trying to place spiritual "hot coals" on my head through food and drink, and trying to teach his followers to do the same. I want monies to try and help ease this mental anguish put on by inmates, allowed by Harris County Sheriff's Office. I want the false prayers to stop in front of me, and my cell door. 

(14). On 02-11-16 in 1200 Baker Street Houston, TX 77002, SA2A, Harris County Sheriff's Office. A falsified "Detention Command Report" was created for me.

At or around 11:58pm, Detention Officer Warren, wrote a falsified detention command Report. She wrote, "that I assaulted an inmate". When in reality, I was self-defending myself from an inmate charge. Cause, I responded too his smart remarks to the guard, I responded about his "momma". He couldn't take the comment and charged me. We started to "fight". Somewhere in the middle of the fight, he ended up busting my nose. So when I wiped off the blood, I ended up slicing

- Relief 14- I want monies for protection and security. Since Detention Officer Warren may decide to retaliate on me behind this lawsuit. I want her to stop making false "Detention Command Reports," on inmates. Cause, she's upset that, ^A ~~she~~ certain inmate wrote her up a week before for some of her actions. I want her punish for her actions. I want her moved from that P.O.D. if inmate Johnson is still there. I want monies for the mental anguish that she's causing me, by trying to mess-up my record and possibly get ^{me sent} ~~it~~ to a rough peratery cause of her report. I want her to stop showing favoritism, to other inmates and be fair. *Kevin L. Fort*

(15). On 02-22-16 in 1200 Baker Street Houston, TX 77002, 6C-1, Harris County Sheriff's Office. A Detention Officer violated my privacy rights toward my inmate mail privileges.

Between 6am and 10pm Detention Officer Larison, sat a piece of inmate mail of mine in the window, where everyone could see my, full name, full spin number, and my personal private privilege information. Not only did she do this. She went as far as to hand my mail to a convicted "A convict" man by the name of "Zeus"! Now, this man comes to my bunk with my mail in hand and hands it to me. Now, I don't know how long he had possession of it. I don't know if he ~~will~~

with other convicted inmates, or other non-convicted inmates. I don't
know if he's going to misuse my information, and I don't know if he read my private
privilege information. I don't agree with this at all and think it is so wrong!

-Relief 15- I want monies for protection and security, since she may decide to retaliate after
the filing of this lawsuit, I want monies for the mental anguish caused by another inmate (a convicted
one) in possession of my information and the possible misuse of my name. I want her to check her atti
tude toward the way she treats inmates and their mail. I want her punished for her actions. I want
to know and feel secure that my identity didn't get stolen. Keith L. Porter

(16) At sometime while incarcerated in the Harris County Sheriff's Office, in Houston, TX 2002, I was bitten
by a roach or some kind of bug, and received some kind of strange wart on my thumb of my left hand
and some kind of fungus on my right foot.

I'm not sure when any of these abnormalities occurred to me but, I know I didn't have any of them when I came
here back in May of 2015. I now have a permanent bald spot in the back right side of my head from
where most likely a roach bit me in 2011. It got infected and bled every night and formed into
a scab every morning. A scab which got ripped off out of nowhere everytime, I can feel my hair is
that particular spot. I healed the infection by using soap with no water but now I have a bald
spot there, where hair will never grow again, cause of this bite. I also have a wart on my

⑩. left thumb. What I touched to make it appear, maybe the mop bucket sink, or the shower, or the toilet, or the bunk. I'm not sure, but something in here caused it. I collected some kind of foot fungus, outside of my bunk, from the floor or the shower most likely.

- Relief/6 - I want monies to cover my pain and suffering, due to the Harris County Sheriff's Office, lack of pest control. I want monies to cover any more damages that may arise from this situation. I want monies to provide protection and security for my well-being. Since, the Harris County Sheriff's Office may decide to retaliate, because of this law suit. I want monies to cover any and all damages, cause [REDACTED] by the Harris County Sheriff's Office. I want monies to cover any and all expenses created, cause of this law suit caused by the Harris County Sheriff's Office. I want to know if my imminent safety and future safety is protected while I'm incarcerated in the Harris County Sheriff's Office and when I'm release. I want safety for all my witnesses. I want all violators to be punished rightously and fairly. I want justice! Kei A. Porter
